

How to Update Your Member Records

Your organization's Member Record is the key to who has access to your member benefits. Remember, every employee and board member is a member. We encourage you to make sure your list is current and does not have inactive representatives listed.

NOTE: Only the Primary and Billing Contact, or a person identified by the Primary Contact, can access and update these records. Please contact info@npconnect.org for help activating this option.

Under **Organization Information**, update your organization's general information. Always hit **SAVE** at the bottom of each page after every change.

Under **Employees** update your list of team members. All your staff members and board members can use Nonprofit Connect benefits, so please add them. ***Please don't overwrite old employees with new employees.** Instead, click on the box next to the name and use the **Deactivate Selected Reps** button to deactivate prior employees. Use the Add Employee/Rep button to add new employees. These are located at the bottom of this page.
